

BBPS/KGN/CIR-05/2022-23

Date - 22nd APRIL 2022

Day - Friday

Venue -School Campus

Do It Yourself Activity

The students of the Nature Club will take the Sustainable Goals initiative to protect the natural foundations of life and our planet everywhere and for everyone.

The students will pledge to preserve opportunities to live in dignity and prosperity across generations by setting an example within the school campus itself .

To support the students of the Nature Club, all the students are requested to bring peelings of fruits & vegetables on this day to drop in the compost pit constructed by the Nature Club members.

Let us join hands to make this endeavour a success as

Compost pit can be beneficially used to improve the quality of soil. They add nutrients and organics and improve the soil's ability to store air and water.

Dear Parents,

*You are requested to ensure that your ward reaches the school before/ at 7:30 a.m. sharp

*All students must adhere to the school timings and be punctual.

*All parents to drop their ward's lunch boxes at the school gate by 9:30 a.m. sharp on a daily basis.

*No parents are allowed to enter the classes and must take an appointment to meet the Principal/ class teachers a day prior through a written note in the Almanac.

*All book sets and Notebooks must be purchased this week for prevention of loss in studies.

Please follow the above stated for the smooth operations of the school.

Thank you

DR. NEERU TALWAR
