

## **AUTHORS' DAY**

**On 31<sup>st</sup> October, the students of classes VI to X performed the Club Activity on Authors' Day with a lot of research and interest. They looked through the E library of the school and their own class library to give them the best of opportunity to celebrate the works of their favourite authors.**

**They spoke about the life and writings of many famous authors of yester and present years like Jane Austin, H.G.Wells, Adrienne Rich, William Shakespeare, Ruskin Bond, R.K.Laxman.**

**It was an open discussion of both national and international poets and authors. The students of classes VI & VII even dressed up as their favourite author to associate well with the activity. Many students brought books of their author to show their peers and other students made sketches.**

**The students learnt –**

- **About the different authors that they could read books of.**
- **How to present themselves in front of an audience**
- **The benefits of reading**
