The word “EXCURSION ” is enough to bring smiles to the cherubic faces of students who just want to get away from the confines of the classroom and run free with the wind in their hair.

So it was no surprise to see students from (I-V) of the school scream with delight when their excursion date was announced. On 26th November 2022 the students visited the Maheshwar Fort of Ahilya Bai Holkar who was the hereditary noble queen of the Maratha Empire, in early-modern India. Students Witnessed the life-size statue of Rani Ahilya Bai seated on the throne at Ahilya bai fort and palace, weaving of unique and beautiful maheshwari saris and fabric. They got spellbound by the beauty of river Narmada.

Students too their lunch and had great time with their friends and teachers. While some students raced each other, some played antakshari and some played with balls. Students returned to school, tired but joyous at the end of the day.
