

READER'S CLUB ACTIVITY REPORT

NAME OF CLUB: READER'S CLUB

DAY & DATE: Monday, 25th July 2022

PARTICIPATING CLASSES: Classes I to X

NAME OF THE ACTIVITY:

D.E.A.R /Class I-V

The activity was conducted for class I-V, to inculcate the reading habits amongst the students. Students brought their personal books (story books) from their home. On the day of the activity, students exchanged their books with their friends. Thereafter all the students read together continuously without any disturbance. At the end of the activity students shared their views about the book with their classmates.

Book corner/Door decoration activity/Class VI-X

In this activity the students' of classes VI-X created their own class library. The aim for creating the class library was to inculcate the reading habits amongst the students. In this way they could read the books from the class library throughout the session. Students brought books from their home for creating the class library. Thereafter, on the day of the activity students decorated the class library corner and door of their classrooms very beautifully by using innovative ideas and shared their experiences about interesting books which they have read earlier.

Students' learnt:

- The importance of caring and sharing.
- To share their experiences about an interesting book.
- To beautify their class library corner.
