

Club Activity

Report

NAME OF CLUB: Nature Club

NAME OF ACTIVITY: Compost Pit Activity

DAY & DATE: FRIDAY 22nd April 2022

CLASS/CLASSES: PS to X

The students of classes PS - X to bring peelings of fruits & vegetables on this day to drop in the compost pit. Student will get the knowledge about that why compost is necessary for the plants.

They promised to take this initiative ahead by spreading awareness amongst the people around them.

This activity demonstrated and performed by Students of classes PS to X to show the importance of compost and how compost help for growth of plants.

Students Learnt:

- Understand the concepts of decomposition and composting.
- To teach them awareness of making compost
- Identify materials needed to make compost.
