JUNIOR SCIENTISTS

NAME OF CLUB: Science Club

DAY & DATE: Monday, 9th January 2023

CLASSES: I to V

NAME OF THE ACTIVITY: Junior Scientists

The activity was conducted to develop the scientific skills of the Students. All the students showed and explained their models related to science concepts such as space satellite, volcano, wind energy. The aim of the activity was to correlate the science concepts in their practical life. The students enjoyed and learnt a lot while presenting the activity.

Students' learnt:-

- To develop projects management skills.
- To gain confidence and crucial preparation skills.
- To design and execute an experimental procedure.
