

Riders Club Report

April Theme: Ride to Save Nature

As per the need of the hour the Riders Club initiated its first session on 15th April, Saturday. The students were up early and eager to start off with their cycles and accompanying teachers to ride around the set route.

Keeping the overall fitness in mind and integrating it with fitness of Nature, the students rode shouting slogans of " Save Nature "," Stop Pollution"," Clean Environment: Green Environment". The dual purpose bikers won the hearts of many citizens who watched the youth of today cycle for a cause.
