CODE OF CONDUCT FOR STUDENTS

Students have a right to feel safe in the school, learn in a challenging environment to the best of their ability, be treated with respect by other students and teachers and be listened to. However, they must also adhere to the following code of conduct:

Respect for the Institution

- A. Keep the buildings, class-rooms, corridors and grounds clean in good condition. Spend five minutes prior to beginning of every class cleaning your surroundings.
- B. Students are expected to treat school property with care and respect. This includes school playfields, lawns, buildings, equipments, books, transportation vehicles and possession of others. Don't cause destruction, defacement or damage to school properties. Graffiti on walls, doors or furniture is strictly prohibited.
- C. Carefully handle the equipments, fixtures and appliances of the labs. Careless handling/misuse of the above could result in personal injuries or damage to property. In the event of damage of property, the responsible students will have to bear the cost of replacement/repair with fine.
- D. No student shall enter or leave the classroom when the session is on without the permission of the teacher concerned. The students are not permitted to leave school campus during school hours without prior parental and administrative permission.

- E. Share information with school officials regarding matters which may endanger the safety/health or welfare of the school community.
- F. Care must be taken to observe the "green rules" in order to maintain clean, green surroundings. That is, school premises will not be littered with disposable tumblers, papers or polythene bags.
- G. Students are expected to conserve water and electricity.

Respect for Learning

- Be punctual and regular in attendance and make efforts to maximize achievements in all areas of Education.
- Enter or leave the class with prior permission.
- Take progressive responsibility and ownership for your own learning. Complete tasks as allotted.
- Complete class work and homework assignments on time.
- Keep library books in good condition.
- Assemblies are planned and scheduled for educational and informational purposes throughout the school year. Students must adhere to guidelines as mentioned:
 1. Stand to the assembly in an orderly manner.
 2. Be respectful to guests and speakers.
 3. Upon dismissal, leave the assembly in an orderly manner.
- Inform parents of educational progress and to ensure that all school communication is effectively delivered.
- Show respect to teachers & elders & consideration for peers.
- Seek clarification or guidance in a polite manner. There should be no rowdyism or shouting.
- Do not use unfair means during assessments/examinations.

Respect for Self

- Dress neatly and properly as per schools' norms.

- Highlighting and dyeing of hair, permanent tattoos, jewelry items, fancy nails, eye or face makeup, fancy shoes are not allowed.
- Carrying mobile phones, Smart watches, iPods, electronic equipment, valuable articles and cash more than Rs. 500/- to school is prohibited.

Respect for Others

- Be tolerant and respectful of diversity.
- Behave in a manner which does not endanger the health and safety of self or others.
- Behave with courtesy and consideration for others. In particular, students must refrain from all forms of bullying, violence, verbal intimidation and harassment.
- Students must strive to resolve all conflicts by peaceful means.
- Demonstrate respectful behavior in classroom. Refrain from behavior which would disrupt classroom instruction.
- Do not instigate other co-students or juniors to indulge in any misbehavior or any form of anti-school activity which will bring disrepute to the school and could spoil the career of the concerned student.
- While using Internet based technology the following guidelines need to be adhered to:
 1. Privacy – Users shall not intentionally seek information on or obtain copies of data or files belonging to another person unless authorized by that person.
 2. Passwords – Users shall not seek passwords or use passwords belonging to another person unless authorized and users shall take precautions to secure access of their personal password from others.
 3. Security: Users shall not attempt to infiltrate a computing system or network or alter the software components of a computing system or network or import files, which will jeopardize the security of the computing system or the network; and users shall not load software on computers without permission of a Computer Teacher.
 4. Unauthorized use of wifi to download any videos/documents is not allowed.

5. Uploading any objectionable material on social media or circulating such material through mobile networks is a serious offence.

The following, if observed, shall be liable for strict disciplinary action and may lead to expulsion from school.

- 1) Substance Abuse or smoking/Physical abuse
- 2) Truancy
- 3) Display of aggression and violence
- 4) Bullying, use of foul language, vulgar behavior and eve teasing

AWARENESS CLUB

Class- I- III

OBJECTIVES-

School clubs are a platform for the children to hone their skills and showcase their innate talent through different hands-on activities organised throughout the year.

With an aim to sensitize our young learners towards various social and environmental issues a new club has been initiated for the students of classes I, II and III. A host of activities with varied themes such as Global Warming, Save Water, Importance of Sports & Games, Road Safety, Health & Hygiene, Endangered Species etc. has been planned under the aegis of the club. The children will be made aware of the impact of human actions on their immediate environment & groomed as responsible global citizens of tomorrow.
