BBPS/KGN/CIR-38/2023-24

DATE: 4th July 2023

Dear Students,

Science knows no country, because knowledge belongs to humanity and is the torch which illuminates the world. The laws of Physics are the canvas God laid down on which to paint his masterpiece. Please note that to enhance the communication skills as well as critical thinking the Scientific Skills club activity for the month of July, 2023 is to be conducted on 19th July 2023, Wednesday as per the details mentioned below:

Classes	Theme	Description
VI-VIII	“Youth of today, leaders of tomorrow”	Students will deliver a speech on the chosen topic. The students will share their views on the topic related to Physical Science which will prove to be useful for their formal education as well as future careers.

Note :

All the students to share their topics with their respective Class Teachers latest by 10th July, 2023.
