Celebrating the Spirit of AAGAAZ 2025

**“You are never too young to lead and
never too small to make a difference.”**

— Greta Thunberg

Dear Educators and Young Changemakers,

Greetings from Bal Bharati Public School, Khargone!

AAGAAZ 2025 was more than an inter-school event—it was a celebration of youthful vision and global consciousness. Under the theme “Our SDG Goals – Shaping a Sustainable Future,” students transformed into global citizens, passionately exploring the Sustainable Development Goals through the lens of different nations.

Their performances were not just creative—they were courageous, insightful, and solution-driven. From powerful monologues to inventive campaigns and thought-provoking comics, every act reflected a deep understanding of global challenges and a genuine desire to bring change.

We extend our heartfelt thanks to the schools, teachers, and students who made AAGAAZ 2025 a beacon of hope and action. Together, we’ve proven that the future is in capable, compassionate hands.

Let’s keep this spark alive as educators, as dreamers, and as changemakers.
